

**GIFTED AND TALENTED PROGRAM**

Granton Area School District recognizes that students have differing interests, needs and abilities. The gifted and talented are those children and youth whose abilities, talents, and potential for accomplishment are so outstanding that they require a variety of special provisions to meet their educational needs. Therefore the school district will provide access to an appropriate program for pupils identified as gifted and talented and will use multiple criteria for identifying gifted and talented and will use evidence of high performance in intellectual creative, artistic and specific academic capabilities.
