

SELECTION OF CLASS VALEDICTORIAN/CLASS RANK

The Granton Area School District will use the following criteria to determine the Granton High School Class Valedictorian and determine the class rank for all students:

1. The student with the highest grade point average (thousands), after seven semesters, shall be declared class valedictorian. To be considered for valedictorian honors, students must attend classes in the Granton High School for at least three (3) semesters. Any high school course taken for credit will be used to determine student grade point average. The grade point average will be based on a 4.0 grade scale with 4.33 for A+.
2. If a tie exists, the student with the highest composite (ACT) score on file with the district by February 1, of the student's senior year, shall be declared valedictorian.
3. If a tie still exists, the student with the highest total composite score taken from the Wisconsin Student Assessment Program Tests shall be declared valedictorian.
