

SAFETY

In light of the state legislated requirements of Section 118.07(safety requirements) of the Wisconsin Statutes, the Granton School Board adopts the following policy in compliance with this law.

1. A standard first aid kit will be available and maintained in each school building in the district.
2. It shall be the responsibility of the Superintendent, or his/her designee, to drill all pupils in the proper method of departure from the building in case of fire at least once each month, without previous warning, unless the health of the pupils is endangered by inclement weather conditions.
3. The Superintendent, or his/her designee, will fill out the necessary fire drill forms and reports as requested by the State Superintendent of Public Instruction, the Department of Industry, Labor and Human Relations, and with the chief of the fire department in the school district.
