

**MAINTENANCE OF SAFE AND HEALTHFUL FACILITIES**

The School Board will comply with all regulations including the establishment of an annual building maintenance schedule.

The District Administrator, or designee, as the safety coordinator, and head custodian shall inspect all facilities at least annually for potential or demonstrated hazards to safety and health, and hazardous conditions shall be corrected, compensating devices installed, or special arrangements made to provide for safe and healthful facilities.

Maintenance procedures and custodial services shall be conducted in such a manner that the safety and health of persons using facilities are protected.
