

**STUDENT ORGANIZATIONS**

1. All student clubs, groups or organizations must be approved by the school administration and/or School Board before they can function in the school setting and be recognized as a Granton School Student Organization.
2. All approved student organizations will be listed in the official student handbook.
3. Students, faculty or parents seeking to create an organization must first obtain the approval of the school administration.
4. Student organizations which have not met as an organization and/or elected officers for a period of three consecutive years will be officially dropped and will require approval as a new organization to again officially function as an organization.
