

Granton Student Privilege Card System 2016-2017

All students will receive a Student Privilege Card at the beginning of the school year. After the initial distribution of cards eligibility will be determined by each corresponding mid-quarter and quarter progress report. A picture I.D. card will be issued to all students who meet the following criteria:

A. C's or better in all classes and STAR Math and Reading Goals progress

B. One or fewer behavior referrals

C. Two or less tardies, zero unexcused absences, and 4 or fewer excused absences. (School sponsored activities, medical conditions with doctor verification, funerals, court appearances and college visits with documentation are exempted from this total.)

If you have your picture I.D. card you are allowed all the privileges listed for your grade level. If your card is confiscated for any reason you lose all privileges attached to it. A card can be taken for the reasons described above, as well as by a teacher for legitimate reasons determined by the teachers and administration. I.D. cards can be returned by the teacher or administration. The length of time the card is revoked is determined by administration and will vary depending on the incident. In some instances a card can be removed for the remainder of the school year. The principal has final discretion related to card distribution and revocation.
