

Would you like to place a bid on this refurbished tractor?

Last year, students and staff members refurbished this late 50's, early 60's McCormick Farmall C tractor and now it is time to find it a new home.

-The minimum bid is \$3000 so that the district can recoup the cost of the parts that were needed.

-Bid should include Name, Bid Amount, and Contact Information. We will be accepting bids until April 19, 2024. The winner of the bid will be notified the week of April 22, 2024.

If you are interested in placing a bid or have any questions, please contact Nancy Popp, District Administrator, at poppn@granton.k12.wi.us or 715-238-7292.
