The snowmobile safety course consists of at least six hours of basic instruction in laws and regulations, rider ethics and general snowmobile safety.

Any person who is born on or after Jan. 1, 1985, and who has reached the age of 12, must have completed and received a snowmobile safety certificate in order to operate a snowmobile in Wisconsin.

Anyone is eligible to take the class and receive a safety education completion certificate. For children under 12 years of age, the certificate does not become valid until the child reaches 12.

Online courses are available for students 16 years of age or older, however, online courses cost \$34.95.
