

SCHOOL LOCKERS, PARKING LOT AND SEARCHES

Student lockers are provided for the use and convenience of students but remain under the jurisdiction and control of school authorities. If inspection of lockers, either individually or on a group basis, is deemed necessary, such inspections can and will take place by school administrators or their designee. If a locker is used to store personal items, (coats, purses, school bags, etc.) those items may also be inspected.

When a locker is occupied anywhere in the building, it is understood that the occupant assumes all responsibility for contents therein. The Board of Education and its employees cannot be liable for losses that may occur. To protect their locker contents, the Board highly recommends that students use combination locks, which are available upon request. Personal locks of any type are not permitted. If the lock is ruined, lost, or not turned into the office at the end of the school year, the student will be responsible for the cost of the lock. The school authorities reserve the right to use drug dog inspections of student lockers.

Student parking is provided on school grounds for the use and convenience of students but remain under the jurisdiction and control of school authorities. If inspection of vehicles, either individually or on a group basis, is deemed necessary, such inspections can and will take place by school administrators or their designee. The school authorities reserve the right to use drug dog inspections of the parking lot.
