

DISTRICT AWARDS UPON RETIREMENT OR FOR DISTRICT SERVICE

1. When a school employee with over five years of continuous employment with the district officially retires from their employment, the Board of Education shall present them with a plaque or other type of award to commemorate their service to the district.
2. When a school board member has served at least one full term, and retires or is not re-elected, the board will present them with a plaque to commemorate their service to the district.
