

WEAPONS ON SCHOOL GROUNDS

Any student who brings a firearm or dangerous weapon to school or on school property:

- Shall be referred to law enforcement;
- Shall be referred to social services for delinquency; and
- Shall be suspended until the student can be scheduled for an expulsion hearing with the Board of Education.

The expulsion period may not be less than one (1) year but may be modified on a case by case basis. The term “dangerous weapons” shall include those defined as such by federal law and state statute. Other objects considered dangerous weapons include pepper spray, knives, and any similar objects used to cause harm to others.

Other objects not defined above may be considered “dangerous weapons” where the same discipline procedures will apply.

Students that bring such objects to school:

- May be referred to law enforcement;
- May be referred to social services for delinquency;
- May be suspended; and
- May be scheduled for an expulsion hearing with the Board of Education.
