Dear Families of Granton Students,

Like you, we are shocked and deeply saddened by the news of the shooting at Robb Elementary School in Texas on Tuesday. We are all feeling heartbroken for the families who have lost a loved one due to this senseless act of violence.

School should and must be a place where students feel completely safe and secure. As an added precaution, we are working with our local law enforcement officials to have an increased police presence in and around our buildings for the rest of the week. Please know that we have secure entrances in our school and protocols in place for all visitors before they enter the building.

We know that children and teens will process this news in different ways. Our counselor and other staff are available at our school to assist students who may need some extra support. We strongly encourage any students to stop by the counseling office at any time.

Please join us in keeping the students, staff, and families of the Uvalde Consolidated Independent School District in our thoughts at this time.

Sincerely,

A handwritten signature in black ink that reads "James Kuchta".
