

**Granton Area School District**  
**Student Expectations for Remote Learning**

**Protocols for All Students:**

- Google Classroom will be used to post videos and assignments.
- Google Meets and/or Zoom will be used for live class streaming.
- Classtag will be used to communicate with parents/guardians.
- Teachers are expected to make videos or go live with instruction according to the following schedules. These live videos and recordings will be saved to Google Classroom.  
*\*\*Elementary, MS & HS Remote Instructional Schedules listed below\*\**
- Teachers will give daily feedback and communication with students in their classes.
- Grading expectations will remain the same for all classes below, just as in-person learning this 2022-2023 school year.
- SPED and Title services will still be provided to those students who have been receiving them.

**Virtual Student Expectations**

- Show up for ***all*** class google meets/Zoom on time and be an active participant.
- Reach out if you are having device/internet issues as soon as possible.
- Have your ***mic muted***.
- Ask for help when you need it (during the class google meets is best).
  - Take advantage of teacher office hours if you have questions.
  - Otherwise send your teacher a polite email if you need extra help.
- Stay caught up on your work.
- All assignments are expected to be completed and turned in on time. Grading will remain the same as in-person learning. The Grading Policy is attached.
- MS and HS Students: Every day you will join the Homeroom google meet to show your teacher that you are logging in for the day. This is a great time to get support as well. You will have to show up to the meet between 8:15-8:25am. Otherwise you will be considered absent.
